

Civil Engineering & Construction Materials

Product Range: 2015-01

Macka's Sand is located at 2846 Nelson Bay Road, Salt Ash NSW 2318, within the Stockton Bight Region.

At Macka's we produce an extensive range of high quality construction sands from our deposits that service the construction, horticultural and agricultural industries.

We can provide a sustainable and consistent supply of sand to small and large projects and we can customise our sand products to meet client and project specification requirements.
